

Norway - Alfa Norden meeting in Norway

Alpha-1 Norway was hosting the Alpha-Norden (Denmark, Sweden, Norway) meeting January 21-22, 2010. The meeting was held at Glittreklubben, a hospital and rehabilitation center for lung diseases. Among the subjects discussed was:

- Meeting for members of the Alpha-1 groups in Denmark, Norway and Sweden in Gothenburg June 11-13, 2010.
- How to spread information about the deficiency.
- District-contacts around the country, - how to educate district-contacts.
- Taking care of the members, create contact between members, forum of discussion.
- How to take care of each other in the Board, motivate, encourage - and how to plan replacements when somebody leaves the Board.
- Economy.
